

This week JKC advises that construction activities at our work sites will include:

**Blaydin Point**

- Ongoing ground improvements for the Module Offloading Facility (MOF) causeway and construction of MOF through the mangroves
- Heavy rock transport by 10 trucks per day from DAC Howard West quarry (Yarrawonga) via Jenkins Road to Blaydin Point site
- Small rock transport by 10 trucks per day from Yebna quarry south of Jenkins Road to Blaydin Point site
- Two trucks per day transporting crushed rock from Mt Bunday quarry to the concrete batching plant on Channel Island Road
- Six trucks per day transporting concrete from a batching plant on Channel Island Road to Blaydin Point site
- Nine water trucks per day accessing Paspaley's Pond, off Channel Island Road, to Blaydin Point site
- Operation of two shifts working 10 hours per shift, with maintenance performed between each shift
- Wickham Point Road intersection upgrade is expected to be completed this month

**Howard Springs Accommodation Village**

- Removal of trees through two areas of the Howard Springs Road buffer zone to enable Power and Water Corporation access to the site to service and maintain essential power and water services. The areas will be revegetated as part of the village project
- Ongoing construction of sewerage headworks linking into the Palmerston sewerage system including:
  - o Revegetation of the Stow Road pump station site and easement will begin early next month
  - o Continuation of pipeline work along Howard Springs Road
  - o Pouring of concrete for Lambrick Avenue pump station on Tuesday
  - o The road closure on Larrakia Road will remain in place until the week commencing December 2
  - o Once Larrakia Road is reopened, work will commence at Duwun Road, where one lane will be closed at a time. This work is expected to take one week to complete. Traffic controls will be in place during this time. Please plan your trips accordingly

o Work will be undertaken on Sunday, however JKC is working with our subcontractors to minimise impacts on residents, keeping work hours to between 8am and 4pm

- Ongoing steel erection and installation of roofing and cladding of central facilities
- Transporting of the next shipment of accommodation modules to site from Monday 26 November to Friday 30 November
- Two double trailer trucks transporting fill from Boral quarry along Gunn Point Road and Howard Springs Road to the Accommodation Village
- Four concrete trucks per day commencing from 6am Monday through Friday travelling from the Winnellie batching plant along Tiger Brennan Drive and Howard Springs Road to the Accommodation Village
- All other ongoing site preparation and construction activities will be conducted from 7am to 6pm with Sunday construction hours restricted to 9am to 5pm

**Channel Island Road and Chung Wah Terrace intersection upgrade**

- Ongoing mobilisation of plant and equipment to the construction site off Channel Island Road, and adjacent to the Palmerston rubbish tip
- Traffic controls are in place with speed reduced to 40kmph past the site. Please slow down
- Hours of operation are from 6:30am to 5:30pm from Monday to Saturday
- This work is expected to be completed in February 2013, weather permitting

Appropriate dust suppression and street sweeping measures are in place at all JKC construction sites, and all truck rock loads are covered. Noise, dust and road conditions will continue to be monitored.

**Christmas Office hours**

The JKC office will be closed on 25 and 26 December 2012 and 1 January 2013. At all other times the office will operate as usual.

**Employment Enquiries:**

Go to [www.ichthysjobs.com](http://www.ichthysjobs.com) to register your interest. If you have difficulties on line please seek assistance at our Construction Employment Mobilisation Centre, 22 Mitchell Street, Darwin, from 10am to 4pm, Monday to Friday, or call (08) 8980 9999.

**JKC and our subcontractors are committed to the safety of the community and our workers  
– please help us continue to share the roads safely**

**Community feedback – 1300 724 795**
