

Equal Opportunity, Bullying, Discrimination and Harassment Policy

Objective

INPEX contributes to the creation of a brighter future for society through our efforts to develop, produce and deliver energy in a sustainable way. We are actively supporting a cleaner energy future, as detailed in our [INPEX Vision 2035 – Realizing a Responsible Energy Transition](#) which describes our roadmap for the next decade to deliver global growth and reliable, lower carbon energy.

INPEX Australia (INPEX) is committed to its core values of safety, integrity, diversity, ingenuity and collaboration. This includes a commitment to providing equal opportunities to all personnel and promoting diversity and inclusion in the work environment.

INPEX undertakes to implement measures to foster a harmonious work environment where people feel safe, respected, valued and comfortable to raise concerns about any unwelcome behaviours occurring at work.

Bullying, unlawful discrimination, harassment, vilification and victimisation is not tolerated by INPEX. INPEX will take reasonable and proportionate measures to eliminate unlawful sex discrimination, including sexual harassment, as far as possible. All misconduct allegations will be thoroughly investigated and appropriate action taken if misconduct has occurred.
